

Welcome!

Burning Revivalists,

In an hour of history that seems shrouded with darkness like never before, there is a fiery army arising. God has chosen you for such a time as this! Young reformers with a passion for righteous and holy living are stepping forward onto the battlefield of truth to make their mark on human existence. The word of God is not just a beautiful leather bounded cosmetic addition to their bookshelves, but it is their sword, their source, and their life.

In the spirit of Elijah and John the Baptist, these forerunners are blazing a trail unto the return of the Lord. They believe every word that comes from the Father and obey without delay. They are followers, soldiers, and disciples who have counted the cost and are willing to pay with their very lives for the cause of the Kingdom.

I believe that you have heard the call to devote your life to the purpose of God and have responded by saying, "Here I am Lord, send me!" You have heard the cry of the Spirit saying, "It's time for an awakening in the church!" and are willing to be among the first to arise.

Through the Gateways Training School, I trust that your life will be radically transformed in an atmosphere of worship and Spirit-led teaching as you are given the tools to dig a well of passion and devotion to the Lord. The GTS offers a unique opportunity to be able to consecrate six months of the year solely to God. Yes, it 's radical, but we believe it is needful to produce the fruit that only comes through the life of sacrifice.

"Insanity is doing the same thing over and over again and expecting different results" says Albert Einstein. God is raising up young revivalist that have the mind of Christ and are willing to talk, think, and live differently.

Dedicated to reformation and revival in our generation,

Nehemiah Rudolph
GTS Northwest Director

Gateways Beyond International

About the Founder: As Founder and CEO of Gateways Beyond International, David Rudolph is committed to helping believers understand their role in serving a world of need. In the latter 1970's David, Emma, and family began serving full-time in world missions with such organizations as *Youth With A Mission* and *World Horizons*. Over the last 20 years they have been based in countries such as India, Cyprus, Greece, and England. They have also done extensive ministry behind the Iron Curtain, Europe, the Middle East, and North Africa.

Our Vision: Helping to Hasten His Soon Return (2 Peter 3:11-13).

Gateways Beyond Northwest is a messianic community committed to sharing a life of daily worship and prayer, discipleship training and world outreach. Our foremost desire is to help hasten the soon return of the Lord.

AREAS OF MINISTRY...

GATEWAYS TRAINING SCHOOL an intensive discipleship program to train, equip and launch emerging leaders into world outreach ☞ teaching them to grow in the character of Jesus ☞ imparting an understanding of God's heart for Israel ☞ preparing them to lead by serving and releasing them to multiply the same in others.

WORSHIP & PRAYER ministering to the Lord as the priority of all we do ☞ creating an open heaven ☞ connecting heaven and earth to release the Kingdom of God in power ☞ training others in their role as a royal priesthood.

ISRAEL & THE JEWISH PEOPLE interceding for the purposes of God in the nation of Israel ☞ serving Jewish communities practically ☞ imparting a love for Israel and the Jewish people ☞ building bridges of reconciliation between the Church and Israel ☞ assisting Jewish people to return to Israel in fulfillment of biblical prophecy.

OUTREACH & EVANGELISM sending teams out to be a light to the world, bringing salvation, healing, and deliverance ☞ ministering on the streets through music, dance and preaching the Gospel ☞ encouraging local believers and strengthening church, business and government leaders.

MINISTRY TO THE POOR serving in orphanages, refugee camps, feeding centers and prisons, extending arms of love, words of hope and hands to help ☞ giving financial aid to the poor in Israel, Ethiopia, Ukraine, central and eastern Europe.

COMMUNITY & HOSPITALITY demonstrating to the world what it looks like when a community lives under the reign of God in every aspect of daily life (observing the weekly celebration of the

Shabbat and the cycle of Biblical feasts) hosting fulltime workers from the region who come to be refreshed and to hear the voice of the Lord in an atmosphere of worship.

The three primary ways in which we carry out the mandate that God has given us are:

Training

Gateways Training School is an intensive program designed to train, equip and launch young messianic believers into world outreach. Our program offers a unique balance of classroom study and practical experience for 18 to 30 year olds. For six months students share in the life of the Gateways community and are mentored by its leaders. Each week seasoned international teachers impart knowledge and anointing from their life experiences. Areas of concentration include intimacy with the Father, character-building discipleship, prophetic worship and intercession, Jewish roots, identity and destiny and world outreach. A significant element of the GBNW is the 3-week Experience Israel Journey where the student is immersed with God's heart for the people and land. The school culminates in a 4-week outreach applying classroom training to real life ministry.

Worship and Prayer

We believe that ongoing worship and prayer changes the spiritual atmosphere of a region. The altar of daily worship established at the Gateways community in Cyprus since 1999 is impacting the surrounding nations of the Mediterranean Basin, opening the way for the Gospel to be preached with greater effect. Even before the first century there had been a strong bond between Israel and Cyprus. Now in these last days the Lord is once again restoring this ancient connection for His end time purposes. We pray fervently for the salvation of Israel recognizing that it is her calling to be a "Priest Nation" to all nations. And, that when the glory of the Lord arises over Israel, He will draw all peoples to Himself. Gateways Beyond Northwest is dedicated to calling and inspiring worshipers in the nations through impartational teaching and modeling prophetic worship.

Outreach

Our devotion to worshipping God, praying for the nations and making disciples compels us to GO. From Cyprus we send teams that carry the life of community and the open heaven of worship to touch the nations. In every place that God sends us we seek to call forth and mobilize the army of young people who are waiting to give their lives for the King and His Kingdom. We also seek to raise up and send teams to plant new communities of worship, training and outreach. Believing that the Church is to be a sent people, we invite you to join one of our short term outreaches. God is looking for humble hearts that are willing, obedient and ready to serve. Over the past few years our outreach teams have gone to Ethiopia, Ukraine, Israel, Romania, Serbia and most of Europe.

Our Philosophy of Ministry: is formed out of ten non-negotiable convictions.

- Jewish Roots and Messianic Life
- Faith-Centered Living
- Ancient and Present
- Biblical Community
- Prophetic/Worship/Intercession
- Devotional Life
- Servanthood/Self-Sacrifice
- Creativity
- Compassion for the Poor
- Apostolic/Five-fold Ministry

Gateways Northwest Training School

'Small is the gate and narrow is the road that leads to life...' Matt. 7:14

Our Vision: Gateways Training School exists to train, equip, and launch young Messianic believers into world outreach.

"...As I lay on the kitchen floor in the early morning hours interceding, the Holy Spirit flooded the room. I wept with great intensity as the vision unfolded. In the Spirit I saw many young people standing before me, and I heard the Lord say that He was calling me to help train them for world outreach. There would be 'spiritual boot camps' for young Messianic believers (both Jews and Gentiles). I had already spent many years 'calling' youth into the harvest fields. The Lord then said that when the time came, I would no longer have to call them, but that he would impress His plans upon their hearts. My part would be to make the vision known, and they would respond. That's when I first knew that training was to be a central part of Gateways Beyond."

-David C. Rudolph, Founder and CEO of Gateways Beyond International

- **Character Training** - Psalm 118:19-20, "Open to me the *gates* of righteousness; I will go through them, and I will praise the Lord. This is the *gate* of the Lord, through which the righteous shall enter." (NKJV)
- **Worship** - Psalm 100:4-5, "Enter His *gates* with thanksgiving, and into His courts with praise. Be thankful to Him, and bless His name. For the Lord is good; His mercy is everlasting, and His truth endures to all generations." (NKJV)
- **Prophetic Intercession and Spiritual Warfare** - Genesis 22:17b, "...and your descendants shall possess the *gates* of their enemies." (NKJV)
- **Jewish Outreach** - Gateways Beyond is covenantally related to Tikken International, an apostolic network which oversees congregations and ministries partnering for the full restoration of Israel and the church.

Isaiah 62:10, "Go through, go through the *gates*! Prepare the way for the people; build up, build up the highway! Take out the stones, lift up a banner for the peoples!" (NKJV)

The Gateways Northwest Training School is a training program for young Messianic believers who already feel called by God to world outreach. Our intensive program offers the student a balance of classroom study and practical experience that will deepen their walk with the Lord and prepare them for the field. The GTS Northwest is a unique opportunity for the individual to consecrate 6 months of his/her life to the Lord. The school will involve in a 3-4 week outreach applying classroom training to real life ministry.

Authority Structure

The GTS Northwest is a ministry of GBNW and will be overseen by the GBNW leadership team. GBNW is accountable to the apostolic covering that Gateways Beyond International provides.

School Director: Nehemiah Rudolph is a Messianic Jewish believer who is deeply burdened for his generation and longs for reformation and sustainable revival. Experiences gained from growing up in places like India, Europe, and the Middle East have given him a broader understanding of the heartbeat of God for the nations. Before coming to Spokane, Nehemiah and his wife Shersti served as directors of the GTS program on the island of Cyprus where they decided they could never return to status quo living. They have devoted the last six years of their life serving as youth pastors in Spokane, WA, raising up a generation of undefiled warriors who are not given to the life of compromise, but have become a living sacrifice. Nehemiah has a passion to see young people released into their destiny in God and seeks to inspire his generation to wholeheartedly follow the Lord.

Teachers: The GTS Northwest teachers consist of the on-site staff as well as visiting international leaders who are selected on the basis of their anointing, experience, integrity, and reputation in ministry. Students will also benefit from training sessions led by field specialists in areas such as humanitarian aid, relief and rescue, and development. Each visiting teacher will come for a week of intensive impartation to the GTS Northwest. While representing a variety of ministry backgrounds, each of the instructors will present their material from a Messianic Jewish Biblical perspective.

Areas of Concentration

Worship & Prayer - Learning to hear and obey the voice of God. Developing a personal devotional life by building personal and corporate altars of worship and prayer. Identifying with Yeshua's heart and burden for all peoples. Igniting holy passion for Yeshua through daily devotion to the Lord. Understanding the character and ways of God. Growing in intimacy by becoming rooted and grounded in the love of Father God.

Discipleship - Hearing Yeshua's call to follow him and be His disciple motivates us in the realm of discipline and desire to live a yielded and consecrated life. Providing opportunities for the student to grow in character by creating a safe and nurturing environment that challenges them to be more conformed to the image of Messiah. Honoring those who have gone before us and leaving a legacy for those that follow.

Jewish Roots - Teaching from a first century, apostolic, Jewish rooted perspective of the Scriptures. Celebrating the biblical calendar by honoring the Sabbath and the Feasts of the Lord. Training in righteousness through a biblically centered lifestyle in the power of the Holy Spirit. Recognizing the vital relationship between Israel and the church today. Experiencing God's heart for the land and people of Israel.

Community Life - Enjoying the blessing of training in the context of community life. Appreciating the contribution and mutual blessing of the generations supporting one another. Deepening authentic relationships by sharing everyday life together. Sharpening one another through accountability and commitment. Championing the call of God in each person. Running together for God's purposes as a company of friends.

Identity & Destiny - Understanding 'who we are' and 'where we're going' in relationship to the Lord. Receiving the spirit of adoption and walking in our inheritance as royal sons and daughters of the King. Cleansing and freedom from bondages that have hindered spiritual growth. Embracing our call as priests to minister to the Lord and to be a bridge to the people. Preparing ourselves as the bride of Messiah to be ready, beautiful and anticipating His return.

World Outreach - Burning with passion for the glory of God to cover the earth. Releasing fiery messengers to creatively impact the world. Sending teams to carry the light, life and love of Yeshua to the nations. Cultivating a heart for the poorest of the poor. Expressing love to the Jewish community. Encouraging the local body of believers. Preaching good news to the lost.

"God is more concerned about our character than our comfort.
His goal is not to pamper us physically but to perfect us spiritually."

- Charles Swindoll

Blessed are the flexible for they shall bend and not break.

Guidelines for Dress

Personal Hygiene:

Students are expected to maintain their cleanliness and appearance in a manner that is conducive to the preservation of health, godly self-esteem, and social appearance.

Clothing:

General: Guidelines are based on modesty and cleanness. Immodest, too short or too tight dresses, skirts, shirts, or trousers are not acceptable for any occasion. Inappropriate logo (such as alcohol, tobacco, or coarse language) shirts may not be worn.

Specific:

Class/Daytime Activities

Guys – jeans/slacks/shorts and casual shirts or t-shirts

Girls – jeans/slacks/shorts/skirts and casual shirts, or t-shirts

Shabbat and Special Occasions

Guys – dress slacks with coordinating shirt, and shoes. You may be required to wear a tie for some occasions.

Girls – a nice dress, skirt, or slacks and dress shoes that are “occasion-appropriate.” This does not mean “formal” attire.

Paul wrote in I Cor. 9:22 that he “became all things to all men that I might by all means save some.” With this attitude our dress and appearance must be able to influence without being a distraction from the purpose of God. Looking clean, presentable, and appropriate adds credibility to our witness. Remember you are a disciple representing Yeshua.

Guidelines for Relationships

These guidelines are to protect and strengthen your relationship with the Lord and to protect your integrity as a disciple. With these guidelines, it will be easier to maintain a more unified group. They are not intended to break up or keep you from godly relationships. But the GTS Northwest is not the place to foster romantic relationships. This is six months of your life, for you to be totally focused on God. Once you begin to view someone as a possible mate, it can steal your time and take you out of focus from what God has for you during these six months.

1 Timothy 5:1-2 gives young men and women instructions on how to treat each other: "Do not rebuke an older man harshly, but exhort him as if he were your father. Treat younger men as brothers, older women as mothers, and younger women as sisters, with absolute purity."

1. The affection shown to any person is expected to be the same as that which is shown to everyone else in the group.
2. Students are not to engage in conversations about romantic relationships or match-making in any way.
3. There will be NO DATING! A "date" is when two people of the opposite sex arrange to be together, either alone or in a group setting. The only time that a guy and a girl can be together is in an official group setting, such as classroom, meals, services, approved functions, approved GTS Northwest social gatherings, scheduled times of ministry, and other times appointed by the leadership.
4. There will be no pairing up while in group settings (i.e.: meetings, daily routines, class times, meals, etc.)
5. Students are not allowed to be alone with someone of the opposite sex.

These student guidelines apply to relationships with people whether in or out of the GTS Northwest. This is our NO DATING POLICY!!

- Do not take or eat any food from the kitchen besides what is provided during meal times. Food costs money and a certain amount is budgeted for food.

Honoring Private Homes and Offices

During the GTS we are privileged to live in a community. There are many families and individuals who have private homes, rooms, and offices on this base. We would like to honor those who live and work here full time, especially the families. These simple ways will help to facilitate this:

- Please do not go into any house, room, or office without asking.
- Knock before entering any home, room, or office.
- Keep common courtesy by not staying too long or late, and do not invite yourself over for meals.

Watching Movies

Movies are not allowed outside of specific times organized by the GTS Northwest leadership.

Communicating Special Needs or Questions

RA's are your best way to communicate any needs, questions, or ideas during the school. Please speak to them first before going to the GTS leadership for questions that you may have. Small group leaders are available to help you with the following type of needs:

- If you desire personal counselling during the school
- If you need to meet or speak with the GTS leaders
- If you have family or friends that will be in Spokane and plan on visiting you during the school (Guests are responsible to provide for their own stay and arrangements in Spokane.)
- If you would like to invite someone that you have met in Spokane to visit a worship gathering
- If you need to see a doctor

Student Led Services

Whether you consider yourself a "preacher" or not, it is important to learn how to prepare a message from the Bible, and how to share that message with a group of people. "Preaching" is the means God has chosen to reach the world with salvation, and signal His glorious return.

And this gospel of the kingdom will be preached in all the world as a witness to all the nations, and then the end will come. Matthew 24:14

Every student will prepare a message to preach to the students during the Student Led Service. The message should be 15-20 minutes in length.

The services will be on scheduled Fridays after morning worship.

Preparing to Preach

What Must I Aim For?

1. To be INTERESTING (motivate the audience to listen)
2. To be CLEAR (get the listener to understand)
3. To be CONVINCING (persuade the listener of something)
4. To produce ACTION (get the listener to respond by doing)

How Is a Sermon Organized?

1. An Introduction
2. A Body
3. A Conclusion

Two Types of Structures

1. A Textual Sermon – the main points are taken from the clear points or divisions of the Bible text itself. Example – text is Micah 6:8 “What does the Lord require...to do justly, to love mercy, to walk humbly...” The points could be Justice, Mercy, Humility.
2. A Topical Sermon – the main points are from a logical division of the subject, rather than from the text. Example – text is John 3:16; The points of the message may be 3 types of love: sensual love, brotherly love, and Divine love.
3. Always keep in mind - SOME KIND OF IDENTIFIABLE STRUCTURE IS EXTREMELY IMPORTANT for a sermon to be remembered by the listener.

What Goes Into a Sermon?

1. Text – This is the passage of Scripture with which the sermon deals. Each sermon should have only one text, but may quote additional passages to support it.
2. Subject – This identifies what the sermon is about. The sermon should have one clear subject, and everything in the sermon should relate directly to that subject.
3. Title – This is the name a preacher gives his sermon. It may or may not be the same as his subject.
4. Proposition – This is the sermon in one sentence, and is sometimes called the “thesis” of the sermon. The proposition is not a description, not an extended title; it is the sermon, put into one sentence.
5. Outline – This is the structural framework of the sermon. It may simply be a list of ideas you want to get across. This is the “identifiable structure” mentioned above.
6. Notes – These consist of any written aids to his memory the preacher uses while he is preaching. Most often the notes will contain the structure (outline), as well as quotations, names, statistics, etc.

7. Illustrations – Anything used to create a picture in the mind of the listeners. You should have at least one strong illustration for each of the main truths you present. Illustrations are absolute necessities, not just decorative extras.
8. Delivery – This means the way the sermon is presented. Delivery consists of the use of the voice, bodily movement, eyes, gestures, style, etc., to convey the message.

Student Journal

The purpose of the Journal is to be a tool to process those things which the Lord will speak to you throughout the GTS. The journal is also designed as a personal keepsake of your time with us.

Journals will be due on Monday mornings. Weekly journal assignments will be posted on Tuesday mornings with the returned journal.

All assignments are to be fully completed when handed to your small group leader. If you are not able to complete your given assignment you will be required to complete your old assignment as well as your new assignment by the following Monday.

Gigue Overview

Gigue is a creative celebration that occurs in a coffee house environment; dates of Gigue will be announced. It offers a platform to the students and staff for creative expression and provides a unique opportunity for the community to appreciate the giftings of God in one another and to encourage the growth of the arts during the Gateways Training School.

Gigue will be prepared, operated and hosted by the students. A core team of students will be on the Gigue committee, and the Gigue staff coordinator will oversee this committee. The committee will meet as often as necessary in their free time to go over any details needed in the preparation of Gigue.

Gigue will be posted on the monthly calendar, and the sign up forms will be posted on the announcement board.

Testimonials from Students

"I attended the GTS in 2005. Although I was radically saved, I still carried so much shame and sorrow from my past. At the school I found a well of healing and deliverance in the presence of the Lord. My life was completely transformed. It was like night and day! As the Lord healed the wounds of the past I was launched deeper and deeper into His heart and into the destiny He had for my life. I learned how to live a stable and Godly life. The school was so good for me that I never left! I am going on 6 years with the ministry now and have never enjoyed life more. I have tasted and seen that God is good! I give the GTS two, enthusiastic thumbs up!!"

-Rachel, USA, GTS 2005

"Before going to the school, my life was gripped with so many fears and insecurities. I didn't know who I was or what I wanted. Gateways Training School helped me find my purpose once I found my confidence in God by pulling out my desires, my natural and spiritual gifts, and my destiny. Between the transforming times of worship and powerful teachings, there was no chance for me to remain trapped in the life style I had known for so long. My eyes were opened, my heart was awakened, and my life was shaken by a greater revelation of the power and love of God."

-Jennifer, USA, GTS 2007

"Leading up to the months before attending GTS, my personal prayer had been, '*God, I don't want to go to just a feel-good summer camp and I don't want just head knowledge. Give me a spiritual boot camp experience, where I can go in as I am and come out with a flood-proof foundation, a true identity and a direction for my life!*'. My GTS was filled with many fun experiences and much laughter, and we also received amazing teaching and impartation from many top-notch teachers. But it was also exactly what I desired - my much-needed boot camp. Gateways Training School provides a truly hands-on training experience, one where you get in and learn by 'doing the stuff'. Solid biblical truths are taught and demonstrated in daily living. I would recommend GTS to anyone desiring to die to their old self in order to gain more of Him in every area of life."

-Matti, USA GTS 2007

"During the GTS the Lord has reached down and touched my soul with His healing power. The heart-breaks from my life were healed and I melted into His love. With the healing, He brought me freedom, and with freedom, an abundance of joy that I never knew before. This joy is still so new; I'm just a beginner on this road. The prophetic worship I experienced took me into a deeper level of intimacy and now I have the desire to take worship into the next level the Lord wants in Serbia for the churches to have. The school opened my eyes to evangelism and serving the Jews. I want to go on on this road, to continue living in the Spirit and never return to the place from where I was set free."

-Adrien, Serbia, GTS 2004

Testimonials from Teachers

"I believe that Gateways Beyond provides a phenomenal opportunity for training those called to Jewish missions. The rich spiritual atmosphere on the beautiful island of Cyprus, emphasis on character development, exciting ministry trips, and opportunity to sit under some of the best Messianic and Church leaders in the world sets Gateways apart for any young adult who wants to serve God and the Jewish people. Without hesitation, I recommend Gateways Beyond's Training School as one of the most effective and spiritually vibrant training schools in the world for Jewish ministry."

-Wayne Wilks Jr., Ph.D.

International Director of the Messianic Jewish Bible Institutes

For Patty and I, visiting Gateways Training School is one of the highlights of our year. Why? It is because the Rudolph family has produced serious training with the finest teachers in a discipleship and worship setting that is second to none. The presence of the Spirit is beyond wonderful at Gateways. Development in faith and character is well accomplished in the program. Any young person who is committed to Messianic Jewish life and called to Jewish mission or World mission would find this a most excellent venue for growth.

-Dan Juster

Founder and Director of Tikkun International

I believe Gateways Beyond Training Center is one of the most effective ministry training schools in the world today. It is marked by a strong sense of the presence of the Lord and the spirit of revival. There is also a depth of praise and worship not found in many places. In both of my visits to GTS, I have been strongly impressed with the love and commitment shared by students as well as staff. There is a true sense of community, where faith and vision are nurtured, while ministry skills are communicated. I would highly recommend GTS to anyone who is committed to serving Yeshua more effectively.

The "Gateways experience" is awesome. The depth of worship, fellowship, discipleship, and vision is unique. They have not only had a great impact on their students, but on the community of faith in Israel and other nations around the world. My own family has been powerfully touched by our involvement with the Gateways team.
