

SAMPLE SUPPORT LETTER

Dear Family and Friends,

I am writing to tell you about an exciting new change in my life. I have decided to enroll in the Gateways Training School (GTS) in Spokane, Washington. This school is a six-month discipleship training program designed to help prepare my life for the future. A unique aspect of this school is rediscovering the Jewish roots of our faith and embracing God's heart for Israel and the nations. You may read more about the ministry at our website www.gbnw.org.

I am so excited to be able to attend this year's school and immerse myself into serving the Lord and learning to be a disciple of Yeshua (Jesus). I have prayed a lot about this school and my desire is to get all that I can out of this program to enable me to walk in humility, learn the will of the Lord for my life, and to be someone God can use in this generation to help spread the gospel.

I am also asking my family and friends to share in my training with prayer and financial support. The cost of the program is \$5,500 and the outreach trip is an additional \$2,000. Would you please pray to see if the Lord would have you help me? You may send your support to me, or mail it directly to:

Checks may be made out to "GBNW" with a separate note (not written on the check itself) stating that it is for my tuition for GTS 2010. If sending it to the Gateways Training School address above, please remember to include my name on the separate note. Thank you in advance of your kind consideration. If I can answer any questions, please contact me.

Sincerely,
